JUMBO POSTCARD LEAD PROGRAM

Dear Remodeling Professional:

Here's a unique approach to increasing your lead-getting power insuring you greater profitability. These three easy steps can help you generate leads by pinpointing homeowners within the neighborhoods that surround your most recent job sites:

STEP 1 - WHAT YOU DO:

Give us a little information- provide us with the address of a recently started or completed remodeling job.

STEP 2 - WHAT WE DO:

We will identify 200 residents in the same area and mail them a hard-hitting, personalized four color jumbo post card advertising your products and services. Your address, phone number, offer and special message will be prominently imprinted on the piece.

STEP 3 - USE THE ORDER FORM...

...on the back of this brochure. Prepare your own copy or we will help you with the copy. Send us your logo and we will incorporate into the message. We will fax you a proof for your approval.

You will be amazed by how little this surefire lead program costs- **only 41 cents per piece!** For the price of a postage stamp we will identify your prospects, then print, personalize and mail a four color jumbo post card to their homes. What could be easier?

\$82.00 FOR 200 POTENTIAL NEW CUSTOMERS!
